“The Stones Cry Out: Jesus and Archeology”

Guest Speaker:

Rev. Dr. Stephen Chambers, LC-C
(Lutheran Church-Canada)

Pastor Steve will be our speaker this year. For 17 years he taught at Concordia Lutheran Seminary in Edmonton, and served as Academic Dean. He has also taught overseas in Ukraine, Thailand, Cambodia, and Vietnam. Working with a team from Concordia University in St. Paul, Minnesota and the University of Haifa, he spent six seasons excavating an early Christian church and monastery complex.

Join us as we visit 8 different churches with Rev. Chambers, as he gives us 8 different presentations on how archeology informs biblical history!
