Worship Leadership: Susan Smith

Northminster and St David's United Churches are partnering together to support our ongoing ministries in northwest Calgary. Join us on this journey as we share in worship, music, community outreach, and programs for all ages. Welcome home!

We invite you to use this time during the prelude to quietly prepare your hearts and minds for worship.

PRELUDE

*I Love All Graceful Things
Praise*

*Kathleen Bolan & Eric H. Thiman
George Herbert & George Dyson*

THRESHOLD MOMENT

Sung Response: "Come and Rest" (see projector)

SILENT REST

Listen to the beating of your heart...

It will tell you what makes you fully alive.

ONE: For that which, then, I thought was right...

ALL: Have mercy, God.

ONE: For that which, now, I regret...

ALL: Bring healing, God.

ONE: For the times I know not what to do...

ALL: Guide me, God.

ONE: Come and rest, come and listen.

Know that grace and guidance surround you

at each and every moment that we turn to receive them.

ALL: Thanks be to God.

Sung Response: "Come and Rest" (*see projector*)

SONG Come Be Here (tune: Kumbaya, words Carolyn McDade)

SPECIAL MUSIC *Medley* *My Delight is in You/Refiner's Fire*

SCRIPTURE Psalm 4: 1; 6-8 Matthew 26: 36-46

REFLECTION

SONG Precious Lord, Take My Hand

ANNOUNCEMENTS

BLESSING

ONE: And now as you move on into the world...
Hold that which is happening on the outside AND the inside dear.
Love what comes across your path for what it will teach you.
Cherish the struggle that stirs in your gut for how it will guide you.

And know that all people carry within them
the Essence of the Divine—a Holy Wisdom—given at birth.

Listen every day until we meet again.
Get quiet enough to hear the still small voice and to find your own.
And may the Creator, Redeemer and Sustainer be with you all.
And all God's people say, Amen.

BLESSING SONG

We're so thankful that you are still speaking,
You're still speaking, gracious God.
For the sake of the world you are seeking
We are listening, listening now.

POSTLUDE *Improvisation*
