Helpful Resources for Bible Study

A Study Bible – many to choose from in a variety of translations

Commentaries – online commentaries tend to be copyright-free – which means they are quite old. Not always a bad thing but something to bear in mind.

Helpful print resources:

New Interpreter's One Volume Commentary

Harper Collins Bible Dictionary

Vine's Expository Dictionary

Online resources:

https://www.blueletterbible.org/ (includes cross references, interlinear tools, commentaries etc)

https://www.biblegateway.com/ (useful for translation comparison)

https://www.bible.com/ (concordance function, multiple translations; daily verse, prayer, and devotion features) – be sure to link your account to Covenant UMC in the app

https://bibleproject.com/ (podcast, videos, blogs, and studies that assist in biblical study)

https://biblehub.com/strongs.htm (an online Strong's concordance)

https://www.biblestudytools.com/dictionaries/ (online bible dictionary)
