How are you in building & living community?
Do you take the Gospel outside the walls of the church building?

What is God saying to you? What are you going to do about it?

PRAYER REQUESTS: 10.9.2022

Please be in prayer for **Pastor Italo Abuid** in Puerto Maldonado, Peru. He is leading the orphanage on the border of the Amazon. Pastor Italo discovered from his doctor that his cancer has returned and it has spread. They are discussing other treatments available. Pray for peace, healing, and wisdom for the doctors.

Please be praying for **Larry Sheets** (Larry was with our group on Footsteps of Jesus in 2017) as he is dealing with impairments in his functioning. Doctors are trying to figure out what is going on.

Please be lifting up **Gerald Yoder** as he prepares to go to the Cleveland Clinic on Oct 11 for tests.

Please be praying for **Judy Weaver**! Last Sunday afternoon she was stung inside her mouth 2-3 times while they were having a cookout. She is definitely not feeling good. Her tongue and the roof of her mouth are swollen. They had to call EMS. She is okay. Took a lot of benadryl and is really tired now.

Prayer Updates!

Elbia Hundt (Denny & Val Yoder's daughter) is doing amazing. Walking, eating, and possibly moving out of the hospital to a dorm at the hospital!! Prayers are in action!

John Tener is improving but please keep praying as this is a long recovery. John is in intensive rehab at Indianapolis Rehabilitation Hospital in Carmel. After being essentially paralyzed, he is now able to raise his arms above his head and grip some with his thumbs.
