Some of the things we are thankful for:

We are thankful that Paul is able to go to the Solomon Islands again! He has a trip booked for October 19, and it will be a longer one. He is helping to teach a three week workshop on the Psalms to 26 national translators (including Doku translator Jimmy). After that he will continue to work with Jimmy on Genesis, and then participate in the 100 day "memorial service" for Joseph on Nov 27. Paul will return to Canada on Dec 3.

We are thankful that Jimmy has only grown in his resolve to translate the Doku Bible after Joseph's passing. He is in the middle of representing the "vision" in five regional centres in the Doku area. Please pray for him in this!

We are thankful Cathy was able to go to Calgary to participate in some face-to-face meetings with the Wycliffe Canada member care team she serves remotely through "data administration". She was also able to spend some time with her parents, staying at their place.

Please pray for:

- for smooth travels for Paul; with layovers and luggage - these things are not a given! Paul was informed this week that the last leg of his trip (from Brisbane to Honiara) has been moved up one hour. This gives him less than two hours to change flights in Brisbane. It's shorter than he'd like, and we'd appreciate your prayers that there are no delays or hidden hurdles that would cause him to miss his connection.

- for wisdom as Paul and others teach the Psalms workshop

- for cultural sensitivity as Paul attends this 100 day ceremony and discerns how we might be able to support Joseph's family

- for stamina for Cathy and the kids as they live without Dad for a number of weeks.

We are thankful for all of you who pray, encourage, give and love. We could not do this without you!

Under grace,

Paul and Cathy
