

Oh, how I love your law!
It is my meditation all day long.
Psalm 119:97

We acknowledge that in Kingston we are situated on traditional Anishinaabe and Haudenosaunee territory. We are grateful to be able to live, learn, and play on these lands.

UPCOMING FUNERALS

Wednesday, October 19th at 11:00 am - We regret to announce the death of Elizabeth Nippard, sister of Pat Dennis. Pat was an active member of our flower guild and faithful member of St. George's Cathedral. The funeral liturgy for Pat's sister will be held at James Reid Funeral Home.

ANNOUNCEMENTS

Postponement: A message from the Parish Selection Advisory Committee Chair

Getting to know the Dean!

Like so many wonderful events over the past two years, our long-awaited social events with Doug and his wife, Vanessa are postponed due to the very high levels of COVID and respiratory infections in Kingston. As much as we would like the chance to meet Doug and Vanessa in a relaxed environment, it is prudent to wait until the infection levels have lowered. A special thanks to all of you who offered to host and to help with these events. Your spirit of generosity is very much appreciated.

Hang in there! We'll be back with a new plan at a later date.

Susan Everett, Chair

Sunday, October 16, Community Meeting: We invite you to stay for a BRIEF congregational meeting after the 1030 Service to discuss the current recommendation that we continue to wear masks during the service. The Dean and Wardens have been struggling with this issue, in the circumstances where almost all government mandates for mask wearing have been lifted. We hope this will be a respectful and thoughtful discussion in which we may hear one another.

Lunch by George: wishes to thank everyone who donated food for our Thanksgiving dinner - we served 130 meals. Thanks as well to our regular donors.

Lunch by George: is asking for donations of warm winter clothing (adult size jackets and boots) only as we are packing up the summer weight clothing for the season, now that the cooler weather is here.
