Discussion Questions:

1. Please read chapter 19 as you begin your time together, then share in short sentences how the gospel of John is impacting your daily walk these days?
2. In the light of Jesus’ trial before the high priests and Pilate, what are some of the injustices you notice?
3. Jesus was humiliated and ridiculed for speaking the truth in the assembly of the Sanhedrin and then before Pilate, how does this relate to us? We Christians are commanded to always speak the truth, however, have you been through a difficult situation after sharing the truth? If you feel you can share an incident to encourage others in your group, please share a brief version of it.
4. What is the significance of mentioning the “crown of thorns” twice in our chapter? Consider this question by reading from 1 Samuel 8.
5. Share with each other about the importance of the Lordship of Jesus as your Saviour in your daily walk as a Christian.
6. John 19 can be a discouraging chapter with the details of the gruesome persecution Jesus had to suffer. How can you share the gospel from this chapter?
