THE WHY?

We want you to know that God sees you, He cares for you, and He loves you. He sees every need you have and while we aren't promised a life without challenges, we are promised that He is with us every step of the way (Matthew 6:25-24; Joshua 1:9; Genesis 16:13). There is no shame in needing help, and we are called to lift one another up and take care of each other.

As His Church, we are the hands and feet of Jesus, called to care for the needs of others, to do justice, and to love others as ourselves. If you have a need, we want you to know that we are here to help. Talk to someone on staff, or head to apaonline.ca to request prayer, a meal, visitation, or any other way we can help you.

We also know that while our resources are limited, the Lord has set up hundreds of resources within our city to help meet the practical needs of those who are struggling. We have curated a list of the incredible not-for-profits, help lines, and services that are available in this community for you to access.

With any additional questions or requests, please don't hesitate to reach out to us.

Services at 10 am on Sundays, we hope to see you there.

RECOVERY CHURCH

SUNDAYS AT 6PM

Christian Life Assembly

“Recovery Church is a Place of Hope and Freedom. It is a place for people who are trapped in addiction and want to leave that old life, a place for those on the recovery journey and is a place for people who are now walking free. We have people here who love to see Jesus bring freedom, watching Him break chains, and bring people walk confidently into new life. Recovery Church is a place for addicts/ex-addicts to heal, grow and connect with others. We do this by looking to Jesus Christ for a fresh start, a new way, a new life.”
