Discussion Questions:

1. Aside from the rainbow, Egyptian plagues, Gideon’s fleece, and Hezekiah’s steps’ shadow, what are other signs God gives His people in Scripture?
2. Recap: How are prophecies in Scripture of a telescoping nature?
3. Ahaz wearied the Lord by not asking for a sign. What are ways we weary God? (If God is patient and loving, do we ever really weary Him? Give reason for your answer.)
4. When it comes to our salvation, why was it important that Jesus was fully God and fully man?
5. What are practical ways we can prepare for the second arrival of Christ?
6. Search the Scriptures and list passages that speak of God’s promises to us. Of these promises, which one brings you the most comfort? Why?
