WORDS OF WELCOME

SONG

Amazing Grace

VU #266

OPENING PRAYER ...written by the youth group

ONE: Creator God, we worship you today as the Body of Christ, the gathered saints. As we worship together may we feel safe, included, and inclusive. May we love one another and be loved as Christ loves. May the spirit blow between us and through us today and always. Our hearts are filled with thanks for this time together for family, friends, food, water, shelter, good health, and the traditions of poppies and crosses in this season of remembrance. Amen.

BLESSING

The Spirit of God is upon you and has blessed you.
You are not too young or too old,
you are not too rich or too needy to bring good news to the world,
to give a hand to the broken-hearted,
and share God's light through the gifts you have been given.

So remember to pack peace in your toolbox,
hope in your briefcase,
love in your lunch box,
and may joy be your song.

Do not be frightened, for you are never alone.
The God in whose image you are made
will walk with you and guide you today, tomorrow, and every day.
