**Ministry Opportunities:** We are in need of more ushers and greeters as well as people willing to do communion prep. If you feel called to serve in any of these areas, please let the office know.

**Snow Shoveling Opportunity!** As the snow falls we are faced with the challenge of maintaining clear entries on Sunday mornings. If you feel called to help with this, there is a sign-up calendar at the Welcome Centre. Please choose a Sunday that works for you to clear the front steps and ramp, sidewalk on the south side of the building and back entrance if it so happens to snow the night before.

**For tithing receipts to be issued:** Please make sure we have your correct mailing address. This is especially important for those of you who have recently had address changes due to the Post Office reconfigurations and those who send e-transfers. Thank you in advance for your quick updates. You can call (250)-785-3869 or email to office@npmbchurch.com

## Missionary Corner

Over the fall, our campus ministry work in Edmonton has extended to reach 122 students so far. The university atmosphere continues to be a difficult place for young Christians to thrive, and even more challenging to understand what being a good neighbor means. Thank you for the continued provision to minister to these students as they seek God's direction at pivotal moments in their development as young adults. Pray for our nine small groups as well- spanning a variety of sports teams, as they provide an outlet to their teams looking for spiritual direction and accountability for those who already believe.

I have recently been ministering to a hockey player who grew up in Russia, and it has been an amazing experience to talk with him about the realities of faith, sport, and school since coming to Canada.

This April I have the opportunity to travel once again to southeast Asia to be involved with international sports ministries. Pray for God's direction and lead in this endeavor as I look for soccer players in Edmonton who might be encouraged to participate in this mission's experience.

Thank you for all you do, NPMB!
