Please pray!
1. Health and strength for Pete
2. Safety in traveling
3. Gypsies to be saved
4. Saved Gypsies to grow

Gypsy services are going well in our house and also at Gina's house. When we hold services at Gina's house, her husband Ion comes. This month Lusi also came with her son Emanuel. David also has been there a few times and continues to be interested in spiritual things. Please pray for his salvation. Also, this month Gina's son and David's father Cristi came and stayed for the service! That's the first time he's ever stayed. Pray for his salvation. He was challenged to decide for Christ.

This month marks 4 years since Pete's heart attack. It's always a time to thank the Lord for his healing and below you'll see Pete greeting and having a welcome for everyone!

Thank you for your continued prayers!
Pete and Julie Heisey

Report on Mosnita

Dear Friends,

It's always nice to begin a new year, clean slate ready to serve the Lord more in the coming year. Of course, it's also wonderful that every DAY is a clean slate and that the Lord's mercies are new every morning, great is His faithfulness!

This month was full of blessings and new opportunities to serve the Lord. We always try to be open to different ministry possibilities. Thank you for praying with us about this.

We were able to spend some time with friends at a boy's home about 20 minutes from us. We have been involved with the ministry for many years but had stopped helping regularly when Pete had his heart attack. This month, we went out again and visited, helped and encouraged and enjoyed a wonderful time of fellowship in the Word and food. It is run by German families who come to our church in Timisoara. This is a beautiful ministry and many of the boys have trusted Christ to save them. Pray for Alice and Beni to have wisdom to know what the Lord's plan is for them. Also, pray for the boys, Stefan, Mirandu, Alin and Florin. There is also a girl's home in the city that is being renovated. Pray for the Lord to send girls and boys of his choosing for this ministry.
