# APGC'S NEW APP!

We have created a brand new app for our All Peoples community! It is filled with all kinds of goodies that will help to connect with the APGC community, with yourself, and with God.

Here are some instructions and information about what you will find on the app and how you can use it to it's fullest!

## DOWNLOAD THE APP

The APGC App is available for both Apple and Android devices. Use the QR code to the right or the link below to go to your app store and download our app now!

**https://tithely.app.link/all-peoples-church-mke**

# WHAT WILL I FIND IN THE APP??

## QUICK ACCESS POINTS

**APGC WEBSITE**

Click on our logo and you will be brought to the APGC website.

**CALENDAR**

Scroll through upcoming events on the APGC calendar.

**ONLINE GIVING**

Click one of several buttons that connect you to online giving.

**ABOUT US**

Buttons at the bottom help folks to learn about who we are and what they can expect at worship.

## THIS WEEK @ APGC

In this section you will find weekly Worship Notes that will include scriptures, song lyrics, and sermon notes for the coming Sunday's worship. It also offers a place to give your offering electronically or pull up the bible on your phone to read along with any of the passages ahead of time or in worship.

# CONNECT

In this section you will find a few different ways that you can connect with each other. The APGC Groups will be slowly be building up to create various small groups based on leadership areas, activities, or common interests. You will have the opportunity to add yourself to different groups which will tell you about when/where they meet and open up private group chat spaces for groups to interact with one another.

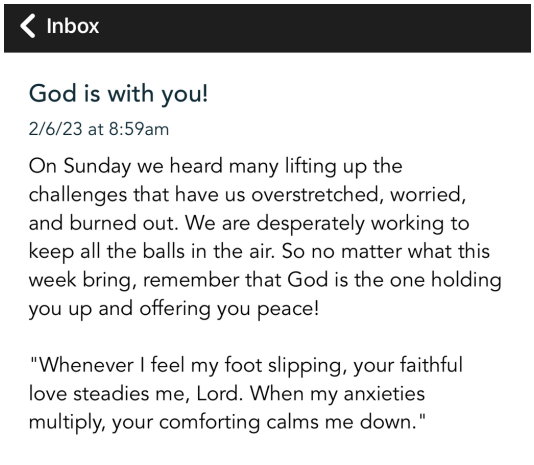
There is also a Prayer Wall where we can be intentional about praying for one another throughout our week. All you need to do is click the 'add' button in the top right corner, add a title to your prayer, your name (if desired), and type out your prayer. It will show up on the wall for others to read and give the thumbs up indicating they are holding you in prayer. You can also write comments to one another within their prayer post.

Lastly in this section you will find a button to contact the office and a button to connect you to opportunities that we have to walk with our neighbor in service and solidarity.

# DIVE DEEPER IN FAITH

This section is designed to be a space individuals can explore when looking for ways to connect more deeply with their own faith journey. There is the opportunity to catch up on past sermons you may have missed or listen again to ones that continues to push or encourage you. You will also find weekly devotions posted starting at the beginning of Lent with daily devo cards that contain a question to reflect on and a prayer to go along with our Lent theme "Seeking: Honest Questions for Deeper Faith". You are encouraged to use these in your devotional life in whatever ways feel most meaningful (journaling, drawing, praying, meditation, etc.).

The Faith Tools button will guide you to a page with suggestions of different resources might be helpful to your faith journey. This currently includes a few other faith app suggestions but will continue to grow in the months to come. Lastly, we know may folks connect to their faith through the power of music. APGC has a playlist on Spotify for a bunch of our favorite worship songs to encourage you and give you time with God.

# NOTIFICATIONS


In addition to all the pieces always available, we will also be sending Push Notifications to you as another way to connect. These will look different but will include important reminders, weather alerts, and devotion or prayer reminders. You will get a red alert button on the app that will let you know to check your message in your inbox which you can find by clicking the 3 bars in the upper left corner of the app.
