TURN CLOCKS AHEAD!

12th March

Good morning,

I would like to pass on the gratitude from my daughter (Viktorija Glambinskaite) for all the help and support we have received so far in raising humanitarian aid for Ukraine. She was happy to share that they were able to send their 10th sea container and all the supplies have reached much needed areas such as hospice for elderly people, who were left behind due to not being able to evacuate, as well as the hospitals set up to serve affected communities. If there is an ongoing interest to raise more aid, some of the supplies that we would need are:

Bed sheets (can be used as long as in good condition)

Blankets (can be used as long as in good condition)

Jackets (can be used as long as in good condition)

Any medical supplies such as gauze, Polysporin, Tylenol, Advil, bandages, incontinence products, etc.

Canes, walkers (used in good condition)

Air boots, splints (can be used in good condition, we have bought some from local thrift store)

Crutches (can be used in good condition)

Socks

Hand and foot warmers

Batteries

Sincerely,

Kestutis Glambinskas (Kes)
