Greatful and Thankful Year

Bro. Ron Murphy, John Jones, Elders and Oregon City Church,

Glory be to the Lord our God who is with us in those Hardships of 2022, the toughest Challenge of our Missions. Yes, though we are worthless of this still He Loves us Purposefully filling the treasure in Jars of Clay to show that this Surpassingly great Power is from God and not from us. Feeling your prayers surrounded us we Continue to grow steady in Faith and Carrying the Momentum of Great Commission focusing on the Next Generation Church and Disciples raises from the Community and various Provinces. I see the hurdles created by the ruler of this World in obstructing the Missions in the form of our House Owner, but I understood lately that God turning this an immense blessing. This couldn't be done without your Prayers to built great Partnership and for this we Salute the families of Oregoncity. Special Regards to Judy Aunty for her Sacrificial role and efforts in updating the Missions on the OC Website and Ryan for his timely financial services. We look forward to share the reward with you all together with our Lord.

Brief Prime Stories

US Trip Invitation

WBS made this possible inviting me for the Global Mission Conference October 2022 which might me biggest Missions blessing to meet the family at Oregon City. Thanks to Ron Murphy who inquired to WBS office towards my journey. Unfortunately missed due to VISA issues. Praying for another New Year opportunity.

Building Challenge

Owning the building is our future Plan and shared wish with Kyle and Ben in their India visit. Ruthless owner Challenged us to chase out all of sudden but watchful God wanted to stay back showered His Grace for His Big Vision. We appreciate OC that worried for us and every hand raised. Our past burdensome & in-front Harvest ignited us

National Events

Privileged to represent as a Keynote Speaker at two National & States Events of All India COC 1200 Preachers and Leaders along with our Teams. Our Two Missions stalls of WBS and Discipleship with Printed Material procured hundreds of enrollments and Training Campaigns. Mission reputation multiplied-brought Glory to God.

Igniting Youth

Community youth for decades are not innovative because of their communal prejudices. We the local Church forwarding by Concentrating them and their empowerment necessarily for themselves and the future Church, Focussing on the areas where each of them are strong with the qualifications of Interests and Skillset. With continuous motivations they are driven towards the opportunities. My brother Ajay being very supportive to find jobs to **Shenkar, Vamsi, Ramya and Srikanth** are encouraged in the innovative areas like where none of the community people in previous generations haven't looked into. I am witnessing their ideology very promising accordingly with the life of Jesus taught in the weekly Leadership Class and they are bringing children to the Church. On the other side with the cooperation of their parents I am accompanying them in every outreaching so that they can stay promising and modeling to next generation children and lost youth in community and Unchurched. Glory to God

(Luke 10: 1) The Lord appointed and sent them two by two ahead of him to every town and place where he was about to go

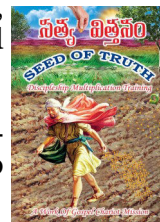

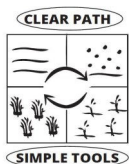

Discipleship Multiplication

Praise God for we got connected with **Bro. George Funk** of Australia the designer of Four Fields Discipleship Multiplication Training with 12 Simple, Biblical, Reproducible tools that hooked our concentration. Going thoroughly adopted these tools as a part of Seed of

Truth Mission to "Win the Lost and Train the Saved". The objective is to Train, equip and promote every church attendee to become Great Commission Partner to carry the momentum into their networks. Online and facial Campaigns

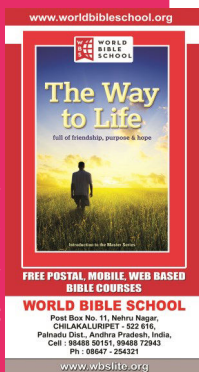

we rely on. The exciting Pictorial Tools are helping the Trainees to practice them on Drawing Books which we designed for this program exclusively. Amazingly Coc preachers and Denominational leaders and Two Bible Schools and Three slum Congregations of Hyderabad City got associated to Adopt the tools.

World Bible School

The Partnership of World Bible School family from Cedar Park is an added flavor to WBS Office, Printing and Outreaching Mission for the Lost with the Printed Bible School Correspondence Courses. Immense is the role of **Bro. Ron Pottberg** who constructed this Mission Partnership.

Continuous efforts for Enrollments into three folded opportunity of Printed, Web and App based WBS course is increasing the English Students. Looking forward Strategically for a Team of Study Helpers for India in the upcoming years to Search, Reach and Teach the Word through the Printed Material. Nothing stops a Church

Local Church

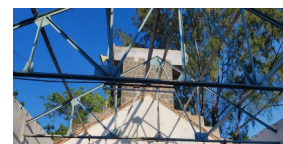

from bearing fruits when Abiding in Him. We are 70+ gathering every Sunday. 4 of Our Men grown up from presiding to Preaching as Substitutes on Sundays and Midweeks. This is providing me to travel even on Sundays on Mission Trips. Two of our youth are teaching to Children on Sunday School. Please pray for our New Year accomplishments.

Prayers for Partners

Witnessing the Mission Expansion to neighbor states with all the Passionated hearts Chasing the Opportunities, its God giving fruits. "If I have seen and reach this further, it is by standing on the Shoulders of OC Giants". The Vision is to Bring Change in the families who cant dream Big and let their Children grow for Jesus

being more responsible bearers of Evangelism. I sincerely plead the Leadership and every Individual of the Church at OC to help us Praying for more Partners to accomplish the Restoration burden of our Pathetic Parent Congregation Building and Present Church needs with Facilities for Training and Equipping more laborers for

the Kingdom towards lost souls who can dream with us. Undoubtedly this is Huge. We praise God for those who God raised for our Building purchase that increased our mileage, now we pray for monthly expenses and to meet the families of newly planted Churches.

Doubly Overloaded

Our parent congregation which was gathering in Claude Guilds Church Building for some 48 years got scattered due the Crumbled and expired roof. It turned threatening when few of members injured when tiles fell on them. Mean while some of them are attending with us. The community who were watching our Church growing in the Town sincerely wanted me to restore the Church and Building that served and sheltered hundreds of souls all through its Live. Next year the building reaches its 50 Anniversary and with all the due respect I took the Charge. In my struggle of securing our House for our Church this is an overload which I cant deny. The fund the parent Church hold can only meet some 11% of the restoration Budget. Seems that God wants me to use this way which is completely connected with Fund Raising, the toughest part. Your Insight and Prayers for this work will be greatly appreciated and witnessed by the Congregation

Sincere Apologies from my Pure Conscience: With all the Humbleness I finally submit my Apologies to the Leadership and Every Individual of Oregon City Church for two reasons **First:** For not Sending regular Work Reports which my Opportunities Chasing mind is compelling me to depend on Instant reporting on Facebook Mission Page. **Secondly:** For the Uncertain step of owning the Building without your Prior Permission and Firm Promises in the midst of owner pursuing, I Trusted **Isaiah 42:16**

Vital Period of my Life

A Loyal Gardener takes care of his garden, knows and sows seeds from the quality plants for much yielding. Indeed he never wants it to be fruitless so needs resources to fence the Garden, Process the seeds, sow them and care until they grow. In parallel as he grow older he finds someone to continue the Process for fruitfulness. Above all, the experience of the Gardner is immeasurable and we need more such Leaders for the Kingdom. After 19 years of my Fulltime Ministry and me 47 completed I am here

at Vital period of my life to procure the Concrete Resources for present and future of Missions. Our hardship in Unfacilitated Building in the midst of wide opportunities is witnessed by brethren from Oregon City. **Whoever is faithful with very little will also be Faithful with much. (Luke 16:10)** We pray for more widening of our Missions serve Him like any other Indian Missions in the Overseeing of OC Church
