COMMUNITY PANTRY

Thank you to all who have contributed and volunteered their time to organize, clean and keep the pantry stocked up.

Sadly, due to vandalism and misuse by a small number of people we are having to temporarily close our pantry.

If you know of anyone who has needs, please direct them to the library food cupboard while we look into safer ways to help those in our town requiring assistance with food security. The cupboard has worked well up until the last couple of weeks.

Thank you again and we will keep you informed.

SOCIAL AND GREEN INITIATIVES

Thank you for bringing in your used laundry soap containers, hand soap and good spray bottles to be refilled!

The containers that are ideal for detergent are taken to Home Hardware. The staff will fill the containers with bulk "Natura" laundry soap.

This soap cleans well used in all temperatures and is biodegradable.

Once filled, the instructions are attached and ready to be donated to the Food Bank.

Dishwashing detergent containers are re-filled at The Gentle Rain or The Little Green Grocery Store in Stratford.

Would you consider using this laundry soap and dish detergent yourself, instead of continuously purchasing new plastic containers?
