On behalf of my family, I am writing to share that my wife, Jean, has gone to her Heavenly Home. A small family celebration was held in Parksville, as per her wishes. A further celebration of her life will be held later this summer in Fort St. John with family and friends. She will be laid to rest in the Montney cemetery beside her Mum. If you were blessed by Jean, please feel free to share your memories with us. Blessings, Marshall (for Sharon, Rosalind and family)
Attached is the slide show we feel captures the essence of her life.

Missionary Corner

To our dear family and friends,
We are so glad to have prayer partners like you. May God bless you and keep you.

We praise God that 5 members of Soroush's family are together again. Still, his oldest uncle has just passed away and we thank God that this family can be together as they mourn his passing.

In January we asked for prayer for a dear friend who was originally from China and went to Japan to teach English. She has suffered much and returned to Canada in February. We are asking for continued prayer for complete healing. It is difficult to return when you believe that God has called you to serve Him and then you can't because of physical limitations. Pray for God's intervention on her behalf. Pray that if any of this is from the enemy, that victory would come through the powerful name of Jesus.

We are so grateful for a student from China who gave his life to Christ in December. We just had a spiritual birthday party for him last week with about 40 students who got to hear the story of Jesus and his love and how he has worked in this student's life.

Please pray for students to come to scripture camp (April 26 to 30). Two Muslims have signed up. Pray that they will follow through and that others would join them.

Please pray for us as our co-worker just had a baby and is now on maternity leave for a year. Please pray for wisdom as to how Ann and I should do ministry in her absence.

Sincerely,
James & Ann Siebert
