## SOCIAL AND GREEN INITIATIVES

**Thank you** for bringing in your used laundry soap containers, hand soap and good spray bottles to be refilled!

The containers that are ideal for detergent are taken to Home Hardware.  
The staff will fill the containers with bulk "Natura" laundry soap.

This soap cleans well used in all temperatures and is biodegradable.

Once filled, the instructions are attached and ready to be donated to the Food Bank.

Dishwashing detergent containers are re-filled at The Gentle Rain  
or The Little Green Grocery Store in Stratford.

**Would you consider using this laundry soap and dish detergent yourself, instead of continuously purchasing new plastic containers?**
