### **Food-Centered Outreach Program**

St. John's is currently planning to start up a new food-centered outreach program. We will soon be in need of volunteers to help in all areas: setting up, preparing food, serving, cleaning up, etc. Programs like these are an important outreach to those who are lonely, hurting, in need, or just want to be with friends and enjoy a good meal in a safe environment.

If you're interested, or know of others who might be interested, please contact:

### **Warning**

**Presbyterian World Service & Development**  
**Phone Scams**

### **From The Presbyterian Church In Canada:**

We are aware of at least one instance of a member of a Presbyterian congregation receiving a phone call pressuring them to donate to PWS&D and provide their banking information.

PWS&D (and the Presbyterian Church in Canada) do not solicit funds over the phone, demanding that banking information be shared. The only instance someone from the PCC will call a donor is if card information used for monthly donations needs to be updated or information mailed to the church needs to be clarified.

Be careful and do not fall prey to people using PWS&D's (or the PCC's) names in fraudulent attempts to solicit funds.

If you are ever in doubt, hang up and call the national office at:

**1-800-619-7301.**

**If this happens to you, please report it to the national office.**
