### Food-Centered Outreach Program

St. John's is currently planning to start up a new food-  
centered outreach program. We will soon be in need of  
volunteers to help in all areas: setting up, preparing food,  
serving, cleaning up, etc. Programs like these are an  
important outreach to those who are lonely, hurting,  
in need, or just want to be with friends and enjoy a good  
meal in a safe environment.

interested, please contact:
