New Church Software

Coming Soon

Our current provider for our online giving, website, church management software, and a whole lot more is discontinuing these services. Over the next few weeks we will roll-out some exciting options. The new online giving is already active on our website, kokomophc.org. You will also have the option to text in your offering. If you are interested we will have our own church app where you can get announcements, sermon notes, giving options, communication tools, and much more. We will give more information as we begin this roll-out. If you have questions please see Pastor Wayne.

"The devil, darkness, and death may swagger and boast, the pangs of life will sting for a while longer, but don't worry; the forces of evil are breathing their last. Not to worry...He's risen!" -Andrew Murray

FYI

Our annual Easter Egg Hunt yesterday had 78 children in attendance! Thank you everyone that worked so hard to make this event a success.
