## Easter Weekend

1. Take time to reflect on this past Easter Weekend. What was significant to you this year? What did you hear Jesus saying to you as you celebrated his death and resurrection?
2. On Good Friday we remembered Jesus' death on the cross. When you think about your life right now, what are some of the things that feel like they are dying in your life? Is this a good thing or not? Why?
3. Easter is a reminder of our new life in Christ. Are there "new things" that you feel Jesus inviting you into in this season of your life?
4. Take a moment to write out a prayer to God that has two part. Part 1: "Jesus, by next easter I pray that you will put to death ..." and Part 2: "Jesus, by next easter I pray that you will bring to life ..."
5. Share your prayer with the group then take the remainder of your time praying for each other.
