**UNUSUAL FACTORS/RISKS:** All risks associated with being on the water. School liability insurance will be in effect.

**INSTRUCTIONAL PURPOSE:** The school is excited to extend the learning of students in grade seven by giving them an opportunity to learn to sail in the beautiful Comox Valley and take advantage of the abundant life we enjoy living beside the sea.

Compass Adventures Sailing Academy offers a three-day "Try Sailing Introduction" adventure for children ages 10 and up. During this three-day adventure, the students will learn the fundamentals of water safety and sailing, and be given an "on the water" experience. The "on the water" experience will be guided by trained instructors and the children will be divided into 6 groups of 4 students each. Compass Adventures has 6 Cat Boats for students, and two coach boats, and a safety Zodiac. The Cat boats are similar to the boats that you see in the harbour during the summer used by HMS Quadra cadets. The sailing program is licensed through Can Sail, the governing body for Sail Canada <https://www.sailing.ca/>.
