Quarterly Financial Update

It was reported to parish council that, in the first three months of 2023, offerings are ahead of our year-to-date budgetary expectations by 20% . Thank you very much for your faithfulness and generosity. This does not eliminate our deficit but is putting a significant dent in it. We still have a deficit of slightly over \$13,000. Thank you again for investing in the life of St. James and please continue to pray for the life of our parish.

Food for Fun and Comfort

Food is more than just fuel for the body, but the “Treat Table” at the Food Bank has been pretty sparse lately. This Easter season we’d love to replenish it with food for snacks and just plain fun: granola bars, fruit and pudding cups, small bags of crunchy snacks like potato chips, cookies and crackers (boxes for families or small packets for individuals) – you get the idea! Drop them off in the bin in the narthex, or bring them the Food Bank on Tuesday morning.

In The Beholder’s Eye Project:

A **wonderful** response for this new initiative!

Sunday, April 16: Today’s artist is **Peter Mussen**.

Remember children’s and grandchildren’s artwork is also most welcome. May your **Creativity** bring you closer to an **Inner Calm** Contact Karin Mussen at kejmstudios@gmail.com.
