Jesus Christ: The God Who Astonishes Beyond Measure
OUTLINE
Mark 7:24-37

Point 1: It's better to be a "Gentile of Gentiles" and believe in Jesus than to be a "Hebrew of Hebrews" and follow the tradition of man.

Main Idea: Through Jesus, salvation has now come, first to the Jews but also to the Gentiles.

Point 2: It's better to be an unclean Gentile and believe in Jesus than to be a clean Pharisee and follow the tradition of man.
