General Fund Balance				
July 1 Balance		8,176		
Year-to-Date Surplus		14,037		
March 31 General Fund Balance:		22,214	Grade: D+	

Donations in March were 17% higher than in March, 2022. In spite of this significant improvement, income was still more than \$2,200 under budget. However, the General Fund had a surplus of over \$3,300 because expenses were more than \$5,500 under budget. Our expenses should continue to be approximately \$5,000 under budget in the coming months, which will allow our balance to gradually increase to a healthier level. The increase of our balance to \$22,214 increases our financial grade level slightly from D to D+. Similar surpluses in the coming months will potentially get our grade up to C by our June 30 fiscal year-end.

The process of preparing a budget proposal for next fiscal year has begun. Please pray for wisdom for our ministry leaders and Finance Committee as they plan to wisely use our church resources to build the kingdom of God. May God bless our church family for their increased giving in 2023.

Missionary of the Week

Paul and Krista Beam, Frontiers, England

Paul works providing I.T. support. Krista ministers to their community through craft sales and friendship evangelism. They will both minister to their mission-family this summer: Paul, through His I.T. work and Krista by facilitating accommodations for the summer conference guests. Pray for them as they continue to guide and support their family, Sophie and Alex. Pray for Krista that she will have wisdom and patience as the acting liaison in her Canadian family’s situation. Pray that Paul, Krista, Sophie, and Alex will continue to grow in their love of, and trust in God.
