

## **“Saved from Death. Saved by Faith.”**

Hebrews 11:28; Exodus 12:1-13

### **Sermon Discussion Questions:**

1. How have you stepped out in faith this past week?
2. Have you ever had a near death experience? What were the circumstances? How did you feel in the moment/just after? In what ways can you relate to the Israelites who had the Destroyer just outside their door?
3. Reflect on the sermon. What are *specific* ways that the Passover Lamb in Exodus foreshadowed Christ as the Passover Lamb of the world?
4. *Only those who have been washed in the blood of the Lamb of God shall be saved and experience eternal life with God.* How do current ideologies in our world contradict this statement?
5. In follow up to question 4, what are specific Scriptures that speak the truth that it is only by Christ's blood we are washed, made clean and saved?
6. How should the fact that Christ's blood shed for us is what satisfies the wrath of God affect how we live on a daily basis?
