“HEARING GOD”
‘Jesus is Alive, Hear Him’

Ephesians 4:21-24. Hear Jesus and be transformed.

Who can hear God?

Where and when can you hear God?

Steps to *hearing God* and how to *apply what God* says:

1. When you have a scripture, song, or thought come to you seemingly at random.
2. Stay with what you just received, “heard.”
3. What is it saying, what does it mean, how can you apply it to your life?

Words of knowledge past:

“Rhapsody.”

“Hear Him”

“Entanglement- Expectation in Him, not them.”

“The deeper one hurts, the deeper one understands.”

“Will you accept me... as is?”

“The trial is not the issue, the response is the issues. Does it glorify God?”

Words of knowledge present:

“Released from self.”

“The faithful in Christ Jesus.”

LOVE, LOVE, LOVE... CHRIST WHO LIVES IN YOU!
