Mt. Carmel Missionary Spotlight Newsletter

Mt. Carmel is a disciple-making community with hearts of faith moved by the promises of God contained in the Gospel.

Keith and Jeanette Cullers are from Broadway, VA and serve as missionaries in Kaohsiung, Taiwan, the second largest city in Taiwan. They began their preparation for the mission field in 1983 and have been serving in Taiwan since 1985 under Macedonia World Baptist Missions. Keith was saved as a teenager in Broadway and served with his home church before going to Bible college at Tennessee Temple University. Jeanette is from Carlsbad, CA and studied elementary education at Tennessee Temple University. They were married in July 1979 and have three sons, including Neil Cullers who is also a Mt. Carmel missionary in Taiwan.

Their mission is to preach God's word, bring the lost to know God, and establish local churches so there is community of believers who live their lives in worship and surrender to the Lord. Presently, they are working on a new church plant at Neipu and with the church at Daliao.

With summer quickly approaching, Keith and Jeanette will be working on summer ministries and preparing to take a group to summer youth camp for three days. Part of their ministry to children and young people includes facilitating Vacation Bible Schools that will be fun and memorable for the children as they learn about Jesus. Plans are being made for two 5-day Vacation Bible Schools, one in July with the Daliao church and a second one in August with the Neipu church. God has allowed this type of event in the past to be a blessed and fruitful time. This year they are praying for and anticipating new people to begin attending the Neipu church and eventually be saved and continue to grow in Christ as His followers as a result.

Jeanette's background in elementary education has been very valuable to their ministry of teaching Taiwanese children. The Lord has opened a door of ministry to local schools which allows them to build relationships with students while teaching them the importance of a Christ-centered life. Students are enthusiastic to learn and excitedly participate in answering questions.

It's hard for us to think about December when it's only spring, but for Keith and Jeanette planning for this time of the year now is vital. Most children associate Christmas only with gifts, but through school visits that the Cullers have opportunity to make, the children will learn the true meaning of Christmas of how Jesus was born and sacrificed His life so we can live. Of course,

since it's Christmas, the children will also be blessed with a gift bag to take home.

Keith and Jeanette's teaching ministry requires many different types of supplies which can become costly over time. As the classes grow, the need for more supplies and financial support grows. Mt. Carmel partners with the Cullers and provides monthly support to help with the tools needed to allow these children to learn and continue to grow in God's word so that someday they too can become followers of Christ.

In addition to the children, part of the Cullers' teaching ministry includes reaching out to elderly people with disabilities. What an encouragement to see the desire that many of these people have to hear and learn the truth.

How you can pray for Keith & Jeanette:

- Pray for their son Neil who is helping to oversee the churches while they are away.
- Pray for the new church, Neipu Baptist, for those who have been attending but are not saved yet.
- Pray for the purchase of land for the Neipu church plant.
- Pray for the two Taiwanese men who are helping with the work of the Daliao church, that one of them may eventually become the future pastor.
- Pray for Keith and Jeanette as they travel to many different churches all over the U.S. in the next couple of months and then return to Taiwan at the end of June.

Mt. Carmel's Monthly Contribution to our Missionaries: The church monthly donation is a fixed donation, whereas the congregation's donations vary from month to month for each missionary.
