### Travel Details:

As we prepare and make plans for Teens Camp, we know everyone has a unique schedule and preference. Due to the nature of this year's camp, we are trying to organize our travel in a way that allows for some flexibility for our departure on the first day.

On the registration form, you must choose 1 of the travel options to help us ensure your safe travel and arrival at Capernwray.

Here's a brief explanation of what each option entails:

1. **Drop off at FLC by 3pm** - this will be our main travel group. We will depart by buses at ~4pm to Tsawwassen Ferry Terminal to take the 5:45pm ferry. You may drop off your luggage at FLC in the morning or the evening prior if necessary. For those who need to be dropped off earlier in the day, please select this option - we will arrange plans to accommodate.
2. **Drop off at Tsawwassen Ferry Terminal by 5pm** - for those who may need the extra time or convenience, you have the option to meet the main travel group at the Tsawwassen Ferry Terminal prior to boarding the ferry. Please drop off at the Foot Passenger Drop-Off/Pickup.
3. **Arrange my own travel to Thetis Island** - if neither of the above options are viable, you may arrange your own travel to meet us at Capernwray. Most commonly, flying Seair from YVR is the best option. Please ensure you book ahead of time as availability is

limited. We will ensure that someone will receive you when you arrive. Additionally, you may apply for a camp subsidy that may reimburse a portion of the cost.

While we will aim to work out a solution to ensure your safe travel and participation at camp, we need to plan accordingly to transport over 100 youth & leaders to Capernwray. Thank you again for your understanding and willingness to be part of what makes our Teens Camp a meaningful and fulfilling time for our youth & counsellors!

If you have further questions or requests for clarification, please don't hesitate to contact P.Nathan (by email or phone) or one of our Teens Camp Committee Members.

*Note: once we confirm our return trip, we will inform you of our time of arrival to FLC on Sunday, July 2nd.*
