

Helping Members Refill Their Cup with Responsive Benefits

In 2022, Portico invited plan members to use their full range of benefits to care for themselves following the challenges and stress of the last few pandemic years. We continually seek cost-effective and nimble ways to support ELCA leaders, congregations, and organizations with high-quality, innovative, and stable benefits that promote holistic well-being.

- ELCA-Primary health benefits provided both in-person and virtual access to health care and wellness resources.
- Portico's Financial Planners and LSS of Minnesota helped ELCA Retirement Plan members navigate the weight of rising interest rates and market downturns through no- or low-cost financial planning, coaching services, and financial education.

In recent years, we've added several eligible ELCA- and full-communion-partner organizations to the Portico community. Growing the number of members we serve helps us manage costs and offer innovative benefits not typically available to smaller groups, affirming the importance of church together.
