## Missionary Corner

Greetings, NPMB Church.

I am so happy we can be together in prayer. Thank you for inviting me to your church. I am glad I had the opportunity to meet some of you. Thank you for your prayers and your financial support. Thank you for your desire to share with us in our joys and our difficulties.

Following, find our ministry highlights and prayer requests. I am busy with the administration of our children's day care center and preparing bible lessons for the children. Our church is

currently housing 18 refugees from the Ukraine and the intense use of the premises means continuous maintenance and repairs. Our toilets and showers are in poor condition and we need wisdom for how to find financial support for shower repairs. Housing refugees also means documentation management, consultation on spiritual and legal matters, and socialization issues. I

also offer pastoral service in Šiauliai, LKB and would appreciate your prayers for the organization and response to the spiritual needs of the people. Please pray that the Lord would put in the hearts of young people the desire to devote themselves more and more to the service of the Gospel. We have a shortage of pastors and preachers in our LKB churches.

Our immediate prayer requests include the preparation for summer camps and the children that will come to each camp. We are inviting many Ukrainian children as well. Please pray for strong leaders who volunteer at each camp and that God will meet our financial needs.

In Christ
