MISSIONARY Spotlight

Kevin & Cindy Austin, Missionaries in Czech Republic with Global Partners

Kevin and Cindy Austin have served as missionaries with Global Partners for many years. The Austins are serving in the Czech Republic, in the small city of Poděbrady, which is about an hour east of Prague. The Czech Republic is a former communist country where very few Czechs know about God or their need for a Savior.

This Spring, Kevin and Cindy, spent a week in Vienna, working with Surge Int'l and the Huntington University Women's soccer team. They helped with transportation and translation, and for a few games, Cindy was the mascot. "Sammy Surge".

They are asking us to pray for the kids, soccer players, coaches, and referees with which the team interacted.

The Austins have also been busy leading bible studies with neighbors, providing English lessons, assisting with Youth Hangout and supporting Ukrainian pastors.

Additional prayer requests from Kevin and Cindy:

- Please pray for the pastors and their families who are serving in Ukraine.
- New believers as the Remedy church plans an outdoor baptism service on June 18th
- Remedy Summer Camp, July 16-21. We are inviting friends who don't know Jesus yet
- Majak English Camp, July 23-29. We will be sending out invitations to join us for 40 Days of Prayer
- For a medical procedure Kevin is having done this week as well as a lot of dental work Cindy must have done
- Protection and provisions for a lot of traveling the Austins will be doing over the next 3 months

Guest Speaker Brian Evelich
from the History Channel show
"Forged in Fire"

After only one years' experience Brian Became a finalist in the hotly contested Forged in Fire episode 5 of season 6. 16 months and 100+ blades later, he has advanced to making commissioned historically accurate Bowie's for an Alamo enthusiast, carry blades for first responders and patriotic themed swords for veterans. He branched into image etched blades, customized handles for chefs, and hand stitched one of a kind sheathes and holsters in the process. Come see the introduction to Blacksmithing and Basic and Advanced Knife making classes.

SUMMER SERMON SERIES:

Starting in June, join us in a journey through the rich book of Romans. With 16 chapters, Romans is the longest and most systematic of Paul's letters. It explores the foundations of faith, the depth and breadth of the Gospel, and what it means to live in unity amid the diversity of the body of Christ. We will be unpacking all of this and more. This letter is as relevant to us today as it was to those whom it was originally written.

June 4 - Romans 1:1-17

June 10 - Guest Speaker - Brian Evelich

June 18 - Romans 1:18-32

June 25 - Romans 2:1-3:20

ADULT Sunday School

ADULT CLASSES SUMMER QUARTER

Classes meet weekly from 9:45-10:45am

#1. Life Lessons, Holiness & Evangelism

This quarter the Wesley Press class discusses several areas of our Christian walk with the focus on holiness and evangelism. Delve into God's Word as you seek to grow and mature in your faith this summer.

Teacher: Ticia Wicks

Location: Board Room

#2. Lessons on Daniel & Esther by Max Lucado

This bible study will look at two Old Testament people God used to preserve the Jewish race. Daniel was one of the captives carried away by the Babylonians. He lived in a culture opposed to God, but because he was faithful to the Lord, he was able to influence kings and rulers. Esther lived in exile during the time of the Persian Empire. Placed in an influential position as queen, she was able to stop a plot against her people and save the Jewish race from annihilation. Your takeaway with these two stories includes: God leads our lives even in difficult circumstances and God will be faithful to his people in the future as He has in the past.

Teacher: Pastor Carl

Location: Fellowship Hall

#3. Your Time Starved Marriage by Dr Les and Leslie Parrott

Whether you have been married for 5 years or 50, we live a busy, over scheduled life. We often neglect what makes our lives worth living: our relationships. In this class you will learn your "time style" and apply step by step approaches to maximize the time you have together with your spouse. Separate workbooks for husbands and wives give you practical tools to reclaim time in your marriage. No matter what season you are in in your marriage you can learn to stay connected and maximize the moments you have.

Teachers: Dave & Debbie Lewis

Location: Classroom off the Fellowship Hall
