**Discussion Questions**

1. How have you stepped out in faith this past week?
2. If you were one of the two spies, how might you have felt:
  - a) stepping foot on the ground of the Promised Land for the first time?
  - b) heading towards the city of Jericho?
  - c) talking with Rahab after she sent the officials away?
3. Looking at Joshua 2, what are the indicators that Rahab had truly placed faith in Israel’s God?
4. Aside from church attendance, what are practical ways we can indicate to others that we have placed faith in Christ for salvation?
5. Look up and list Scripture references that tell us it is only faith in Christ that can save us – not faith in our good works, actions, character, etc.
6. What are some of the excuses Christians give for not sharing the Gospel with unsaved people? How might we change these excuses into motivations for sharing the Gospel?
