

## How can I help the library?

Here are some ways to help --

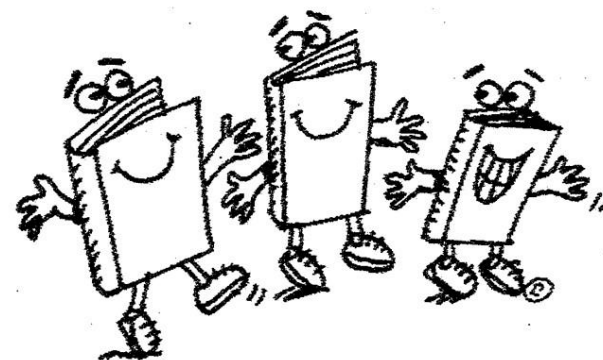

- \* Donate your time to assist in the library.
- \* Donate materials that are published in 2010 or later, are in good condition, and are likely to be of interest to your fellow parishioners.
- \* Suggest titles and/or authors that would make good additions to the collection.
- \* Tell others about what you've seen in the library and what you've read.

Our vision: To reflect the love of Jesus, to be caring, inclusive and just.
