## PERMISSION FOR PHOTOGRAPH/VIDEOTAPING

The teachers and staff of Bethel International Christian Preschool take candid pictures and videos of the children which are used for various reasons throughout the school year and are sometimes posted to the world wide web. We do not identify children by name when posting a photo or video, and often try to obscure their face. Parents will be asked to give permission on a case-by-case basis to BICP for photographs that may be used on the world wide web or for marketing purposes. Please note that we ask parents to **refrain** from taking pictures of other children and to **refrain** from posting any pictures to the world wide web that contain the image of any child but their own.
