

School Starts Monday, August 28, 2023

It is time to start thinking about the new school year,
mark your calendars!

We will have an orientation session in the gym to explain some of the programs and changes. There are also times when parents will be able to meet their children's teachers. During these times, teachers will be in their rooms explaining their classes to parents as a group. These sessions are presented multiple times to accommodate parents with more than one student. A reminder that attendance at all necessary orientation sessions (**whole group in the gym and in the classroom with your child's teacher(s)**) are highly recommended for enrollment. Families who are unable to attend should make plans with administration and their child's classroom teacher to receive necessary information regarding the upcoming school year. Religious orientation is strongly encouraged for all **NEW** families. New families can look to hear from our principal, Mr. Biesterfeld, or our school pastor, Pastor Jordan Ertl, regarding all information on what we believe and teach.
