

Please join me in praying for these 5 things as we start the fall semester!

Lord, we pray for:

1. The approximately 7,000 freshmen that move on the campus before class begins on August 21st.

- We pray for those who don't know Jesus to be converted and to find the goodness of his gracious salvation and for those who do know him to find Christian community and fellowship with other believers.

2. Student leaders serving their peers on campus.

- We pray for our ministry team to grow in their faith and understanding of God and his word. And for their love and service to Christ and his kingdom to grow as their hearts are transformed by the gospel of grace.

3. Our new female intern Mercy Jackson and second year intern Myles Hendrick.

- Bless Mercy's transition from Texas A&M to Fayetteville and her ministry to new students and a new campus. And for your blessing upon Myles as he builds off the ministry you've been doing through him over the past year.

4. Our sermon series on relationships at our large group worship night and a growing understanding of relating to one another in love.

- May the servant-hearted love of Jesus and the gentle, compassionate heart of Jesus grow in these students as they learn to see and relate to those around us the way God has called us to.

5. For the Royal family.

- That they would have strength and endurance during this busy season of life and ministry. For God's blessing and protection upon Linley who started 1st grade this week. And for stability and relief for Anna Caroline's chronic health issues (vestibular migraines).

Thank you for your prayers and support. We cannot reach this campus without your faithful partnership with us. Thank you!

Austin
