

What is new in Ionut and Estera`s ministry from Romania?

CHRIST IS RISEN!

We greet you with joy from Romania and we are happy to send you news from the Lord's work that we are doing here. We continue to serve the Lord with joy, even if it is not easy in this part of the country, being very arid both spiritually and materially. The pastoral work goes better and better the more we get involved, the more we see that God leaves the blessing.

A month and a half ago we started the meetings with young people, where about 10 young people participate. At the last three meetings we were happy to watch together the three parts of the movie *God's Not Dead*.

We also continued our meetings with children at school, and our organization concluded a partnership that will allow us to do as many activities there as possible. A great opportunity that we use in proclaiming the Gospel. God has worked so wonderfully that the principal and all the other teachers always enjoy our presence and listen attentively when we speak to the children from the Bible.

In the month of March, by the Grace of God, I was able to complete 10 missionary training modules within a program "Equipped to Equip"

And as a practical part, I had to travel for 10 days in order to promote the work we do and to raise funds for the projects we have as the Church. It was a very nice experience, we traveled thousands of kilometers in 8 counties, we spoke with many people and the church and now we pray that the Lord will move their hearts to come with us in the Lord's work, both in prayer, with teams for the mission, but also financially, donating for the needs of our projects. I will attach some pictures both from the graduation of the courses and from the promotion trip.

A possible partner for the mission, this brother is a pastor in a county at 3 hours away of us and wants and he decided to help us this summer with a few days of evangelization in our city through a concert and evangelistic message.

In the end of this letter, I would like to thank you for your support, we are very blessed by the financial par you set aside for us and we wish the Lord to bless you abundantly. We look forward to the day when the Lord allows us to meet face to face, but until then we assure you of all sincerity and trust.

With appreciation Ionut and Estera Udrescu!
