This week's special offering will support **Denominational Shares: Safe Church Ministry (Abuse Awareness Sunday)**.

The **Safe Church Ministry** equips congregations in abuse awareness, prevention and response. They help build communities where the value of each person is honoured; where people are free to worship and grow free from abuse; and where abuse has occurred, the response is compassion and justice which foster healing. **Safe Church** pursues that vision by offering training and support to volunteer safe church team members so that they can be resources for their congregations and classes. Team members provide learning opportunities, support, and consultation in their own local contexts. For more information, please visit **Safe Church's** website.

Next week's special offering will support **All Nations Christian Fellowship KIDS Church-Pauline Ho**
