

Come and join our ministry as we offer each other
comfort and support.

(Rear entrance – parking lot by tennis courts)

Most people do not feel comfortable talking about death, so when they experience the death of a loved one, they do not know what to do. Grief support groups provide a safe and effective place for grieving loved ones to learn how to talk about their feelings. They learn to heal and how to continue with their lives in a healthy way.

Need someone to talk to right now?
