To set up a donation:

2. Make a contribution using your chosen payment method
3. Your payment method will now be stored in Breeze for future contributions

To manage your recurring gift(s):

1. Log into Breeze.
2. Click the "Give Now" tab in the upper left.
3. Click "Recurring Gifts" from the navigation on the left and click "change" to adjust the recurring gift you would like to change.

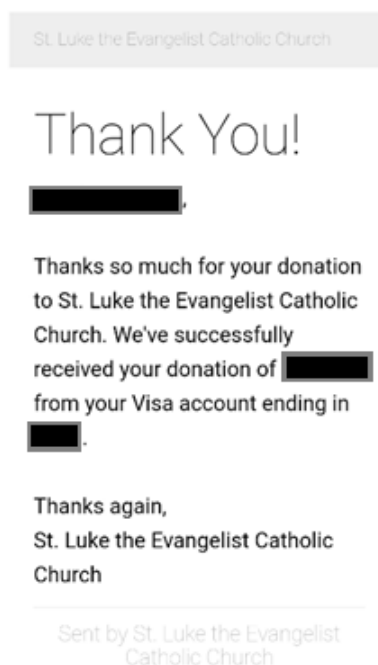

To give from a previously used card or bank account:

1. Log into Breeze.
2. Click the "Give Now" tab in the upper left.
3. Enter the amount you would like to give and any other selections you may want to make and click "Donate Now."

To delete a donation method from your account:

1. Log into Breeze and Click on "Give Now"
2. Click "Payment Methods" on the left
3. Click the **x** to the right of the payment method you would like to delete.

Every time you make a payment you should receive an email thanking you for your donation. It will look similar to the example below. If you do not see the email in your in box, please check your spam/junk folder.

Once you have set up/submitted your recurring giving or made your one time gift, you can log out of the system or you will automatically be logged off once you close your browser.

Please note, you will not be able to see your recurring gifts in the "give now" section until after your first gift processes and the gift has been associated with your account.

Error Message - Suspicious Activity

After processing several payments you may receive an error message preventing you from entering any more payments/contributions. We know this can be frustrating, however, this is a security measure to protect the church and Breeze from any fraudulent activity. If you receive this block or anticipate having a need to process multiple payments from a single location please email security@breezechms.com and they will clear your device (computer, phone or tablet) and allow you to continue with your contributions.
