Jan's Journal

Happy 180th Anniversary!! It is amazing to consider all of the wonderful ministry work that has emanated from the congregation of East Plains during all those years. In a variety of church buildings, and through many societal and cultural changes, the members of East Plains have adapted and carried on the task of living their faith. It is really quite awe-inspiring!

Reverend Bruce Dickson will be sharing worship leadership with me and delivering an Anniversary message during the service on Sunday.

I hope that you are planning to join in the celebration on Saturday evening and worship on Sunday. It wouldn't be quite the same without you!

A reminder that the Fresh Start Program will resume on October 24th at 2 p.m. in the Campbell Room. Please see the announcement in the Bulletin for more details and please plan to attend.

I hope that you are making notes about aspects of the Season of Creation services that have surprised you, comforted you, or challenged your thinking, so that you can bring them to "Going Deeper" on October 29th.

Thank you to Gayle Burnison and all the volunteer pie-makers for several weeks of pie productivity that has culminated in freezers full of meat pies ready for sale at the Arts and Crafts Sale. The big day is coming quickly! Thank you to all those who are working diligently in preparation for this event on November 4th. Please prayerfully consider how you might help with advance preparations and on November 4th. The well-known saying: "Many hands make light work" is actually true! Helping is also a wonderful way to build community!

As always, I am interested in hearing your thoughts!
