SHOES AT SCHOOL:

Please send your children to preschool in shoes that they can practice putting on and off independently. Best options would be closed toed shoes with velcro - sturdy shoes that they can ride bikes ! This is a skill you can practice at home.

SAFETY FIRST - IT'S OUR PRIORITY !

- We love our pets, but they cannot be on the school property due to safety reasons.
- Take care at drop-off and pick-up. The gates on our large play yard are to be opened by TLC staff only for the kiddos safety. Thank you !!!
