

BOGOTA KIDS MISSION

Every Friday morning when Marwin, who is five, says his memory verse, I realize how much he sounds like Linus quoting the Gospel of Luke in *A Charlie Brown Christmas*. At The Bridge, Marwin is one of over 100 children dedicated to memorizing scripture. It must make the Lord's heart smile as He hears these words of praise coming from the mouths of babes.

Another takes a copy of her weekly memory verse to share with her public school teacher.

“GIVE THEM MY WORD AND I WILL DO THE REST.”

That was God's promise to us in the earliest stages of developing our program at The Bridge. As we have shaped our decisions to conform with this promise, God has been amazingly faithful through provision and fruit.

In faithfulness to His promise, as a part of our Christmas celebrations, we are committed to providing our students with actual Bibles or story book bibles so that they have a fleshed out overview of both the Old and New Testaments that they can read at home. These books often journey to school with the kids and are pulled out and enjoyed during any free time they might have at The Bridge.

Go and make disciples!

In the beginning was the Word... and the Word became flesh and dwelt among us.
