*St. Hildegard's Sanctuary is an arts-based, contemplative worship service.
Stations will be set up around the worship space which have creative/kinaesthetic elements.
There may be stations where we paint, write, play with sand or water, light candles...
and always there will be time and space for quiet and reflection.*

We will seek the Creator for healing, rest, and sustenance.

We will share bread and wine and remember Jesus: God with us.

Then go forth sustained by the Spirit to share God's love however we are called to do so.
