

ST. FAITH'S
ANGLICAN CHURCH

Butterflies, Bees & You

Join us on for a presentation on pollinator gardening, the things you can do to support our native butterflies, bees, and other pollinating insects and birds. In addition we will explore how your efforts can help in the effort against climate change. Presented by the Rev. Dr. Katherine Hough, rector of St. Augustine's Anglican Church, Marpole.

This event is free and open to all, light refreshments will be served.
