

The Long, Long Night Of Hope

March 5, 2022

The Long, Long Night Of Hope Is Back For It's Sixth Year. Please Join This Exciting And Important Fundraiser.

Have you asked yourself, "What can I do about homelessness?" Well, here's how you can make a difference: Join in the Long, Long Night of Hope to bring awareness to the issue, and raise funds by sleeping out in the cold in your vehicle or on your porch.

The Long, Long Night of Hope is hosted by St. John Anglican Church and St. Catherine's Anglican Church in North Vancouver. In its 6th year now, 100% of the proceeds go to local shelters: the Lookout Society in North Vancouver and Kelowna's Gospel Mission shelter.

In total, a handful of us have raised about \$85,000! Imagine what we could do if we doubled our number of participants? This year we would like to expand and ask for more people to join this event.

Taking part is so easy! All fundraising is done online and then on March 5, participants either sleep in their car or somewhere other than a comfy bed to bring awareness to homelessness. It couldn't be simpler! Please consider joining or donating to this worthy cause!

Homeless is not hopelessness. Be the Hope. [Please click here](#) to go to the Long, Long Night Of Hope website and join. Thank you!
