

DECEMBER OUTREACH PROJECT

The outreach committee has joined into the Hillhurst Sunnyside Community Association's adopt a family project for this Christmas December outreach project. The association has identified a family of five and has provided their wish list below.

Although there is a short run time, we are hopeful that members of our parish would consider participating by purchasing age/gender appropriate gifts and dropping them off in the narthex by December 10 following the 10:15 AM service.

If you have any questions, please contact the office, leave your message and contact info and we will get back to you.

Included in the package to the family is a grocery gift card \$100-\$150

If you prefer to provide a cash donation towards this card, our outreach committee will purchase a card on behalf of the parish. Our family's preferred grocery store is the Real Canadian Superstore.

Gifts for each member of the family totalling \$40-\$100 per family member.

- The outreach committee will take care of the wrapping and marking of the gifts. Multiple gifts will be wrapped into one combined present.
- A personalized Christmas card to the family member from the donor would be appreciated but optional.

Family Member #1

Age: 43

Gender: Female

Anything practical that they need: Cosmetics

Any clothing that they need: Sweatpants and hoodies, size XL
