You Make Things Possible!

Our Children's Worship program aids in teaching the littlest members of the Broadway family the meaning and purpose of our Worship in an environment specifically designed for their wondrous and growing minds & bodies.

If your children have benefitted from this program, please consider volunteering. With enough teachers/helpers the rotation could have you serving once or twice a quarter. Without volunteers the program may not be available each week. For more information see Shanda Reid (270-703-0070).

Community Christmas Blessing Preparations
IT'S HERE!!

To be able to effectively serve our community we need individuals who are planning on volunteering to work **THIS Wednesday, Thursday or Friday** to put pen to paper and let us know when they will be working.

Calls are coming in daily from community members who are beyond grateful for the opportunity they are being giving to provide for their families through your generosity.

We thank each one of you for the items you have provided and for the time and effort you will be providing next week. With this gesture we can show the love of Christ to our community during a time that can be very trying.

Sign-Up Sheets are at the Connections Desk.
